

Did You Know?

Acts of hate and bigotry are on the rise in Florida; The ADL reported Orlando as having the third most antisemitic incidents in Florida in 2022.

Combating Antisemitism: Crucial conversations for a unified Florida

Halting the normalization of antisemitism and all forms of hate is the central focus of HMREC's initiative to *Combat Antisemitism through Crucial conversations for a unified Florida*.

We seek to develop a response to antisemitic discourses, symbols, and harassment to empower our community to take action through educational programming and discussions:

- What antisemitism is and how to identify it
- The role of social media in the spread of conspiracy and hate
- How antisemitism is often connected to other forms of hate
- How individuals can help to call out and stand in solidarity

YOU ARE INVITED to add your voice to a growing chorus of residents who are committed to change by becoming an ambassador demonstrating your support for the work of your Holocaust Center.

Because together, we can show the Central Florida community that we believe every act of hate is one too many.
